

PROGRAM GUIDELINES

Bridge Fund

RIS DEADLINE: Thursday May 15th 2025, 5:00 P.M.

To ensure fairness in what is becoming a very competitive environment for research grants, completed full applications packages must be received by Research Initiatives & Services (RIS) by 5:00 p.m. If the deadline falls during a weekend or University closure day, the deadline shall be the first working day following the deadline. **Note: Please consult with your academic unit as they may set their own unit deadlines prior to the competition deadline noted above.**

The fund used for this Bridge Fund competition draws from the larger *Seed, Bridge, and Multidisciplinary Fund*. This is a suite of awards premised on funding research that is otherwise difficult to acquire funding for under traditional funding bodies and Tri-Agency funding programs. Each of these awards, 1) *Seed*, 2) *Bridge*, 3) and *Multidisciplinary* draw from the larger fund, but are distinct, separately adjudicated categories with different goals and terms of reference. This package deals exclusively with **Bridge Funding**.

COMPETITION OVERVIEW

Bridge funding sustains the research programs of researchers through the difficult period of an unanticipated funding gap to give the researcher an opportunity to regain external funding. Bridge Fund requests are considered when an investigator's funded project has not been renewed and temporary support is required to retain key personnel. Requests must provide support for only existing key personnel. The Bridge Fund is a needs-based award designed to retain personnel and gain leverage for additional funding; so the principal applicant must use their most recently-submitted application for external funding, and explain how the bridge funding will be used to improve their scores on a future external funding applications, thus increasing their chance of success in future external competitions. The Bridge Fund provides assistance to a maximum of \$10,000 towards projects lasting a maximum of 24 months (shorter terms are also welcome).

*The number of projects funded through the Bridge Fund will be contingent on the number of applications, the size of the fund, and the demonstrated need of applicants.

ELIGIBILITY CRITERIA

The award will be made available for up to a 24 month period **with no extensions permitted**. Within the grant term a principal applicant may not also hold grants from the *Seed* or *Multidisciplinary* grants. A Bridge Fund holder may apply for a *Multidisciplinary Fund* and, if successful, must surrender the remainder of their Bridge Fund. In cases where Bridge funding is granted and alternative funding becomes available to the applicant for the relevant purposes, the funding shall be returned to the source account.

ELIGIBILITY OF APPLICANT

Eligible applicants:

- ✓ All persons with academic tenure, probationary appointments, and persons on sabbatical leave are eligible. Term contracts (research and teaching components) are eligible as long as the applicant maintains their affiliation with Memorial University for the term of the grant.
- ✓ Post-doctoral Fellows who hold an appointment with Memorial are eligible to apply as long as the applicant maintains their affiliation with Memorial University for the term of the grant.
- ✓ Professors Emeritus and persons with teaching term appointments are eligible as long as the applicant maintains their affiliation with Memorial University for the term of the grant.
- ✓ Persons on leave without pay from the university for academic reasons must demonstrate that they have no access to research funds in order to be eligible.

Non-eligible Applicants:

- Persons on leave without pay from the university for non-academic reasons.
- Adjunct Professors and Honorary Research Professors

ELIGIBILITY OF EXPENSES

Eligible Expenses:

- ✓ Except as noted below, all budgetary expenses must conform to the current Tri-Agency Financial Administration Guide and are subject to University policies and procedures for the administration of research funds, including and not limited to [Memorial's Financial and Administrative Services guidelines](#). The following Tri-Agency link contains the most up-to-date version of the Tri-Agency Financial Guide which will also outline any current and, subsequent future updates: https://www.nserc-crsng.gc.ca/Professors-Professeurs/FinancialAdminGuide-GuideAdminFinancier/index_eng.asp

Non-eligible expenses:

- Payment in support of Post-doctoral Fellowship salary if the Post-doctoral Fellow is included as Co-applicant on application submission
- New personnel recruitment.

GRADUATE STUDENT REGULATIONS

The use of this fund for recruiting graduate students must align with all applicable Tri-Agency expectation of stipend amounts as outlined in the [Tri-Agency Financial Administration Guide](#).

This also requires adherence to Memorial's [Guidelines for the Awarding of SGS Baseline Fellowships and Graduate Student Support](#). Research and graduate assistantships must follow Memorial University union rates.

TERM OF AWARD

For successful applicants, the start date of the award is dependent upon the requirement for research clearances. If required, the research grant account will be established for an award once RIS receives documentation that necessary clearances have been obtained for the project. The end date of the research grant will be a maximum of 24 months from the date of the letter of notification of award. **No timeframe extensions will be entertained. Residual funds remaining at the end of the term of the award will be returned to the source account.**

EVALUATION CRITERIA

Applications will be adjudicated based on the following criteria:

- Demonstrated need for funds in order to retain staff, including details of the circumstances resulting in the need for funding.
- Use of funds to retain personnel, specifically highly qualified personnel (HQP).
- Evidence of inability to utilize other funding sources to fill the funding gap (e.g. Notification of "Not Awarded" or parental leave or Covid-19 interruptions), including but not limited to Decanal or Faculty-level funding.
- The proposal's potential to leverage additional funds, particularly funding for (graduate) students and other HQP.
- Impact that receiving Bridge Funding will have on the overall research program of PI/Research Group.
- Exhibit a clear commitment to and integration of EDI-AR-related evidence into the research proposal, published/creative work, and research team and personnel composition (this includes the applicant, collaborators and HQP).
- The feasibility of a significant impact generated via the awarding of funds.

APPLICATION PROCESS

Researchers submitting an application to the above-noted program opportunity must use the Memorial Researcher Portal, <https://rpresources.mun.ca/>. Once submitted, the application will pass through the principal investigator's department and faculty approvers. Researchers will be able to view the status of the file anytime.

Applications must be completed using the attached PDF form fillable application package and submitted using the Memorial Researcher Portal to arrive at RIS by the published deadline. If the

deadline falls during a weekend or University closure; the deadline shall be the first working day following the deadline.

Unless otherwise specified, all information must be completed on the PDF fillable application package. Only the most up-to-date application package will be accepted into the competition. Adherence to the guidelines will have an impact on the adjudication of the application.

NEW: Applications must adhere to stated page limits. **Applications which do not follow the page limit guidelines will not be considered.** Supplemental materials such as appendices, interview questions, cover letters will not be permitted, except for letters of support and/or ethics certifications.

Submitted application package must be completed using the English language. **Late and incomplete applications will not be considered.**

ADJUDICATION PROCESS

For each competition, a Review Committee will be constituted by the Vice-President (Research) to select candidates. The Committee will be chaired by the Vice-President (Research) or Designate. The review committee will include individuals with active research programs, although these may not be in the direct research area of the applications. *Therefore, proposals should be written such that it can be evaluated by a non-specialist reviewer.*

Application Tip: The strongest applications tend to make the clearest case for (1) why the Bridge financing is required, and (2) how the funding will be beneficial. Applications from early career researchers will be assessed based on promise in regard to these elements, as the Adjudicators understand time is needed to develop and produce these criteria.

SUBMISSION PROCESS

Applications must be completed using the attached PDF form fillable application package and must be submitted using the Memorial Researcher Portal, <https://rpresources.mun.ca/> to arrive at RIS by the published deadline.

Completed application packages consists of:

- ☐ PDF form fillable application – completed sections 1,3,8 (if applicable)
- ☐ Additional Pages – free-form pages (**page limitations – see applicable section**)
 - ☐ Record of Previous Funding from Seed, Bridge, and Multidisciplinary fund – Section 2 (**maximum 1 page**)
 - ☐ Expression of Need – Section 4 (**maximum 1 page**)

- ☐ Budget and Budget Justification – Section 5 (**maximum 3 pages**)
- ☐ Project Proposal – Section 6 (**maximum 5 pages**)
- ☐ Curriculum Vitae: Short curriculum vitae – Section 7 (**maximum of 6 pages**)

NEW: Applications must adhere to stated page limits. **Applications which do not follow the page limit guidelines will not be considered.** Supplemental materials such as appendices, interview questions, cover letters will not be permitted, except for letters of support and/or ethics certifications.

WHAT HAPPENS TO MY APPLICATION ONCE SUBMITTED?

The Principal Applicant will be notified of receipt of the application at RIS by email, via their MUN email as provided in the application.

If the Principal Applicant has not received confirmation of receipt within two business days of the application deadline, please contact Michelle Butt at internalgrants@mun.ca immediately.

Notification of Results of Application:

The Principal Applicant will be notified of the results of their application by e-mail, via their MUN e-mail account as provided in the application. Results are anticipated to be disseminated approximately eight weeks after the competition deadline.

Detailed comments about individual applications will not be provided by RIS.

Accessing Your Award:

If awarded, documentation requesting the establishment of a research grant account will be prepared upon notification of your award.

Conditional Awards:

The research grant account cannot be established until such time as documentation has been provided by the Principal Applicant to RIS outlining research clearance requirements for the project.

Contact: Telephone: _____ E-mail: _____

If applicable, Current Term Appointment Timeline:

Start Date: _____ End Date: _____

Emerging Scholar (per definition below): ☐ Yes ☐ No

*An **emerging scholar** is someone who has not yet had the opportunity to establish an extensive record of research achievement, but is in the process of building one. In addition, they must meet at least one of the following criteria:*

- 1. have completed their highest degree no more than six years before the competition deadline (the date of completion of the first doctorate); **or***
- 2. have held a tenured or tenure-track university appointment for less than six years; **or***
- 3. have held a university appointment, but never a tenure-track position (in the case of institutions that offer tenure-track positions); **or***
- 4. have had their career significantly interrupted or delayed for health or family reasons within the past six years.*
- 5.*

2. RECORD OF PREVIOUS FUNDING FROM SEED, BRIDGE OR MULTIDISCIPLINARY FUND

Funds will be made available for a two-year period with no extensions permitted. Within this two-year period, a principal applicant may hold only one award from the *Seed, Bridge or Multidisciplinary Fund*.

Using 1 page, list awards received, including award date, in the last 5 years by the **applicant or co-applicants** from the Seed, Bridge and Multidisciplinary Fund program. Summarize the benefits accrued through previous Seed, Bridge or Multidisciplinary Fund awards.

3. PROJECT TITLE

4. EXPRESSION OF NEED

Using 1 page, list all grants, awards, and contracts you have received in the last 6 years as Principal Applicant, Co-Principal Applicant or Co-Applicant, including those for which you have applied and are still pending notification. Please identify the title of the project, the sponsor and the funding awarded or requested. Identify any funding gaps.

5. BUDGET AND BUDGET JUSTIFICATION (SEE GUIDELINES)

Use up to 3 pages for a budget proposal providing justification of all expenses requested for the proposed research.

Explain any relationship and/or overlap (conceptual or financial) between work supported by other funding sources and work supported by the current application. Provide sufficient information to enable the reviewers to assess the relationship between this application and other sources of support, and the incremental value of additional support from the program. Other sources of support include grants and contributions from funding agencies, organizations, the private sector, institution start-up funds, research chairs, and other institutional research support.

6. PROJECT PROPOSAL (SEE GUIDELINES FOR EVALUATION CRITERIA)

Use up to 5 pages (references are excluded from the page limit and may be included as additional pages), to present the project proposal with consideration of the Evaluation Criteria discussed in the Guidelines. The review committee is comprised of individuals from a wide array of subject matter expertise who may not be familiar with the subject of the application. Therefore, the proposal should be written for a non-specialist reviewer avoiding discipline-specific jargon, acronyms or technical terms that are not explained in the proposal.

Applicants should describe the impact that receiving Bridge funding would have on their overall research program, discuss the relevance of the proposed project to [Memorial's Strategic Research Theme](https://www.mun.ca/research/extraordinary-research/research-strategy-themes/) (<https://www.mun.ca/research/extraordinary-research/research-strategy-themes/>), and describe how the funds will be used to bridge key personnel and other project requirements.

6. CURRICULUM VITAE

Attach an up-to-date short curriculum vitae (**maximum of 6 pages**) for the Principal Applicant and each Co-applicant. The CV should include:

- ☐ work experience,
- ☐ academic background,
- ☐ funded research received in the last 6 years,
- ☐ publications and/or presentations and/or patents (please indicate if peer-reviewed) and/or other evidence of research impact in the last 6 years, (research impact includes the evidence of how published and/or creative work has influenced thinking or practice in the researcher's field or how the research has led to other forms of knowledge mobilization, such as innovation based on research, influence on policy, or understanding of the issues of importance to society).
- ☐ HQP graduated and current in the last 6 years,
- ☐ and any other pertinent information

7. SIGNATURE PAGE FOR CO-APPLICANTS
